AGENCY: United States International Trade Commission.

ACTION: Notice

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on carbon and alloy seamless standard, line, and pressure pipe from Japan and Romania would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATE: Effective December 5, 2016

With respect to the order on subject merchandise from Romania, the Commission found that both the domestic and respondent interested party group responses to its notice of institution (81 FR 60383, September 1, 2016) were adequate and determined to proceed to a full review. With respect to the order on subject merchandise from Japan, the Commission found that the domestic interested party group response was adequate and the respondent interested party group was inadequate, but that circumstances warranted conducting a full review. A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.
