SUPPLEMENTARY INFORMATION:

Agenda

The Recreational Advisory Panel plans to discuss Fishing Year (FY) 2017 Recreational Measures for Gulf of Maine cod and haddock. They will also receive an overview of recent recreational catch and effort data. The Panel will also discuss results from the bioeconomic model to evaluate options for management measures. They will make recommendations to the Groundfish Committee on FY 2017 recreational measures for Gulf of Maine cod and haddock. The Panel also plans to receive an overview and discuss the Council's 2017 Groundfish Priorities and make recommendations to the Groundfish Committee, as appropriate. Other business will be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
