Notice of Proposed Information Collection; Request for Comments for 1029-0114

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSMRE) is announcing its intention to request renewed authority to collect information for a series of customer surveys to evaluate OSMRE's performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act (GPRA). The Office of Management and Budget (OMB) previously approved the collection and assigned it clearance number 1029-0114.

DATES: Comments on the proposed information collection must be received by [insert date 60

days from date of publication in the Federal Register], to be assured of consideration.

ADDRESSES: Comments may be mailed to John Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave, NW, Room 203 - SIB, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To receive a copy of the information collection request contact John Trelease, at (202) 208-2783, or electronically at jtrelease@osmre.gov.

SUPPLEMENTARY INFORMATION: OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8 (d)]. This notice identifies the information collection that OSMRE will be submitting to OMB for approval. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1029-0114 and is on the forms along with the expiration date. OSMRE will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) the need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to

enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSMRE's submission of the information collection request to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

This notice provides the public with 60 days in which to comment on the following information collection activity:

Title: Technical Evaluations Series.

OMB Control Number: 1029-0114.

Summary: This series of surveys is needed to ensure that technical assistance activities, technology transfer activities and technical forums are useful for those who participate or receive the assistance. Specifically, representatives from State and Tribal regulatory and reclamation authorities, representatives of industry, environmental or citizen groups, or the public, are the recipients of the assistance or participants in these forums. These surveys will be the primary means through which OSMRE evaluates its performance in meeting the performance goals outlined in its annual plans developed pursuant to the Government Performance and Results Act.

Bureau Form Number: None.

Frequency of Collection: Once.

Description of Respondents: 26 State and Tribal governments, industry organizations and individuals who request information or assistance.

Total Annual Responses: 106.

Total Annual Burden Hours: 9.

Dated: February 14, 2017
