DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2017-0011]

RIN 1625-AA00

Safety Zones; Coast Guard Sector Ohio Valley Annual and Recurring Safety Zones

Update

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes to amend and update its list of recurring safety zone regulations that take place in the Coast Guard Sector Ohio Valley area. This informs the public of regularly scheduled events that require additional safety measures through establishing a safety zone. Through this the current list of recurring safety zones is proposed to be updated with revisions, additional events, and removal of events that no longer take place. When these safety zones are enforced, vessel traffic is restricted from the specified areas. Additionally, this proposed rulemaking project reduces administrative costs involved in producing separate proposed rules for each individual recurring safety zone and serves to provide notice of the known recurring safety zones throughout the year. We invite your comments on this proposed rulemaking.

DATES: Comments and related material must be received by the Coast Guard on or before [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE

FEDERAL REGISTER].

ADDRESSES: You may submit comments identified by docket number USCG-2017-0011 using the Federal eRulemaking Portal at <http://www.regulations.gov>. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section for further instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail Petty Officer James Robinson, Sector Ohio Valley, U.S. Coast Guard; telephone (502) 779-5347, e-mail James.C.Robinson@uscg.mil.

II. Background, Purpose, and Legal Basis

The Captain of the Port Ohio Valley (COTP) proposes to amend 33 CFR 165.801 to update our regulations for annual fireworks displays and other events in the Eighth Coast Guard District requiring safety zones with respect to those in Sector Ohio Valley

The current list of annual and recurring safety zones occurring in Sector Ohio Valley’s is published under 33 CFR 165.801 in Table no. 1 for annual safety zones in the COTP Ohio Valley zone. The most recent list was created June 14, 2016 through the rulemaking 81 FR 38595.

The Coast Guard proposed to amend and update the safety zone regulations under 33 CFR part 165 to include the most up to date list of recurring safety zones for events held on or around navigable waters within Sector Ohio Valley's AOR. These events include air shows, fireworks displays, and other marine related events requiring a limited access area restricting vessel traffic for safety purposes. The current list in 33 CFR 165.801 needs to be amended to provide new information on existing safety zones, and to include new safety zones expected to recur annually or biannually, and to remove safety zones that are no longer required. Issuing individual regulations for each new safety zone, amendment, or removal of an existing safety zone creates unnecessary administrative costs and burdens. This single proposed rulemaking will considerably reduce administrative overhead and provide the public with notice through publication in the Federal Register of the upcoming recurring safety zone regulations.

The Coast Guard encourages the public to participate in this proposed rulemaking through the comment process so that any necessary changes can be identified and implemented in a timely and efficient manner. The Coast Guard will address all public comments accordingly, whether through response, additional revision to the regulation, or otherwise. Additionally, these recurring events are provided to the public through local avenues and planned by the local communities.

III. Discussion of the Proposed Rule

Part 165 of 33 CFR contains regulations establishing limited access areas to restrict vessel traffic for the safety of persons and property. Section 165.801 establishes recurring safety zones to restrict vessel transit into and through specified areas to protect

spectators, mariners, and other persons and property from potential hazards presented during certain events taking place in Sector Ohio Valley’s AOR. This section requires amendment from time to time to properly reflect the recurring safety zone regulations in Sector Ohio Valley’s AOR. This proposed rule amends and updates § 165.801 by revising the current table for Sector Ohio Valley.

Additionally, this proposed rule adds 5 new recurring safety zones and removes 1 safety zone as follows:

Five added under the revised table for Sector Ohio Valley.

Date	Event/sponsor	Ohio Valley location	Regulated area
1 day – During the first two weeks of July	City of Maysville Fireworks	Maysville, KY	Ohio River, Mile 408-409 (Kentucky)
1 day – Saturday before Memorial Day	Venture Outdoors/Venture Outdoors Festival	Pittsburgh, PA	Allegheny River, Mile 0.0-0.25; Monongahela River, Mile 0.0-0.25 (Pennsylvania)
1 day – Third Saturday in July	Pittsburgh Irish Rowing Club/St. Brendan’s Cup Currach Regatta	Pittsburgh, PA	Ohio River, Mile 7.0-9.0 (Pennsylvania)
1 day – July 4th	Wellsburg 4 th of July Committee/Wellsburg 4 th of July Freedom Celebration	Wellsburg, WV	Ohio River, Mile 73.5-74.5 (West Virginia)
1 day – During the first week of July	Newburgh Fireworks Display	Newburgh, IN	Ohio River, Mile 777.3-778.3 (Indiana)

This proposed rule removes the following safety zone regulation from § 165.801:

Date	Event/sponsor	Ohio Valley location	Regulated area
1 day—Last weekend in August	Swiss Wine Festival/Swiss Wine Festival Fireworks Show	Ghent, KY	Ohio River, Mile 537 (Kentucky).

The effect of this proposed rule would be to restrict general navigation in the safety zone during the events. Vessels intending to transit the designated waterway through the safety zone will only be allowed to transit the area when COTP, or a designated representative, has deemed it safe to do so or at the completion of the event. The proposed annually recurring safety zones are necessary to provide for the safety of life on navigable waters during the events.

IV. Regulatory Analyses

We developed this rule after considering numerous statutes and executive orders (E.O.s) related to rulemaking. Below we summarize our analyses based on a number of these statutes and E.O.s, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Regulatory Costs” (February 2, 2017). A regulatory analysis (RA) follows. E.O.s 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has not been designated a “significant regulatory action,” under E.O. 12866.

Accordingly, it has not been reviewed by the Office of Management and Budget.

The Coast Guard expects the economic impact of this proposed rule to be minimal, therefore a full regulatory evaluation is unnecessary. This proposed rule establishes safety zones limiting access to certain areas under 33 CFR 165 within Sector Ohio Valley’s AOR. The effect of this proposed rulemaking will not be significant because these safety zones are limited in scope and duration. Additionally, the public is

given advance notification through local forms of notice, the Federal Register, and/or Notices of Enforcement and, thus, will be able to plan operations around the safety zones in advance Broadcast Notices to Mariners and Local Notices to Mariners will also inform the community of these safety zones. Vessel traffic may request permission from the COTP or a designated representative to enter the restricted area.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980 (RFA), 5 U.S.C. 601–612, as amended, requires federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section IV.A above this proposed rule would not have a significant economic impact on any vessel owner or operator. Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this proposed rule. If the proposed rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section. The Coast Guard will not retaliate

against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

C. Collection of Information

This proposed rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520.).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under E.O. 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in E.O. 13132.

Also, this rule does not have tribal implications under E.O. 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section above.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or

tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA)(42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This proposed rule is categorically excluded under section 2.B.2, figure 2-1, paragraph 34(g) of the Instruction because it involves the establishment of safety zones. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

V. Public Participation and Request for Comments

We view public participation as essential to effective rulemaking, and will consider all comments and material received during the comment period. Your comment can help shape the outcome of this rulemaking. If you submit a comment, please include the docket number for this rulemaking, indicate the specific section of this document to

which each comment applies, and provide a reason for each suggestion or recommendation.

We encourage you to submit comments through the Federal eRulemaking Portal at <http://www.regulations.gov>. If your material cannot be submitted using <http://www.regulations.gov>, contact the person in the FOR FURTHER INFORMATION CONTACT section of this document for alternate instructions.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, visit <http://www.regulations.gov/privacyNotice>.

Documents mentioned in this NPRM as being available in the docket, and all public comments, will be in our online docket at <http://www.regulations.gov> and can be viewed by following that website's instructions. Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.
