SUPPLEMENTARY INFORMATION: USAJOBS is the Federal Government's centralized source for most Federal jobs and employment information, including both positions that are required by law to be posted at that location and positions that can be

posted there at an agency's discretion. The Applicant Profile and Resume Builder are two components of the USAJOBS application system. USAJOBS reflects the minimal critical elements collected across the Federal Government to begin an application for Federal jobs under the authority of sections 1104, 1302, 3301, 3304, 3320, 3361, 3393, and 3394 of title 5, United States Code. As required by the Paperwork Reduction Act of 1995 (Public Law 104-13, 44 U.S.C. chapter 35) as amended by the Clinger-Cohen Act (Pub. L. 104-106), OPM is soliciting comments for this collection. The information collection (OMB No. 3206-0219) was previously published in the Federal Register on January 24, 2017 at 82 FR 8228 allowing for a 60-day public comment period. No comments were received for this information collection. The purpose of this notice is to allow an additional 30 days for public comments. The Office of Management and Budget is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
