SUPPLEMENTARY INFORMATION: This ICR seeks PRA authority for the State Exchange on Employment and Disability (SEED) Initiative Evaluation information collection, which will consist of a brief on-line survey that will aid in the formative evaluation of the SEED initiative. The SEED initiative is designed to advance policy development at the State and local levels to promote employment opportunities for people with disabilities. This survey will be distributed to a sample of State Legislators and their staff who have had the opportunity to participate in SEED related activities and/or learn about SEED through various dissemination activities. Consolidated Appropriations Act of 2016 Division H Title I section 107(a) authorizes this information collection. See Pub. Law 114-113 Division H Title I section 107(a).

This proposed information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not

required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. For additional information, see the related notice published in the Federal Register on November 23, 2016 (81 FR 84618).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the Federal Register. In order to help ensure appropriate consideration, comments should mention OMB ICR Reference Number 201612-1230-001. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
