SUPPLEMENTARY INFORMATION: Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Bureau of Justice Statistics, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Evaluate whether and if so how the quality, utility, and clarity of the information to be collected can be enhanced; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

- 1) *Type of Information Collection:* New collection.
- 2) *The Title of the Form/Collection:* Survey of State Attorney General Offices (SSAGO): Cybercrime
- 3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* No agency form number at this time. The applicable component within the Department of Justice is the Bureau of Justice Statistics, in the Office of Justice Programs.
- 4) *Affected public who will be asked or required to respond, as well as a brief abstract:*
Respondents will be state attorneys general or deputy attorneys within the state attorney general offices who work on cybercrime matters. *Abstract:* Among other responsibilities, the Bureau of Justice Statistics is charged with collecting data regarding the prosecution of crimes by state and federal offices. This survey will be directed towards state and territory attorney general offices regarding their jurisdiction over civil and criminal cybercrime matters. This is BJS's second survey of state attorney general offices, but the first survey from the Survey of State Attorney General Offices (SSAGO) program. The survey collects data on types and numbers of cybercrime matters referred to the state attorney general offices, the sources of the referrals of cybercrime matters, types and numbers of cybercrime cases closed by state attorney general offices, civil and criminal defendants in cybercrime

matters, sanctions and punishments of civil defendants found liable and criminal defendants found guilty, and participation in state and federal cybercrime task forces.

- 5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* An agency-level survey will be sent to approximately 56 state and territory attorney general offices. The expected burden placed on these respondents is about 65 minutes per respondent, including follow-up.
- 6) *An estimate of the total public burden (in hours) associated with the collection:* The total respondent burden is approximately 61 burden hours.
