Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of proposed collection:

Forms DS-1843 and DS-1622 collect medical history, lab tests and physical examination for employees and family members for the Foreign Affairs agencies, to include State, USAID, Foreign Commercial Service, Foreign Agricultural Service and Broadcasting Board of Governors. Forms DS-1843 and DS-1622 are designed to collect sufficient and current medical information on the individual in order for a medical provider to make a medical clearance determination for initial appointment to the Foreign Service. They are also used to determine whether a Foreign Service applicant, employee, or eligible family member will have appropriate medical and/or educational resources at a diplomatic mission/host country abroad to maintain the health and safety of the individual or family member.

Methodology:

The information will be collected through the use of an electronic forms engine or by hand written submission using a pre-printed form.

Behzad Shahbazian,
Director of Clinical Services
Bureau of Medical Services
Department of State.
