**SUPPLEMENTARY INFORMATION:** In the Final Rules section of this Federal Register, EPA is approving the Indiana's SIP submittal as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no

If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule.

EPA will not institute a second comment period. Any parties interested in commenting on this action should do so at this time. Please note that if EPA receives adverse comment on an amendment, paragraph, or section of this rule, and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment.
