UOCAVA requires the States to allow Uniformed Services personnel, their family members, and overseas citizens to use absentee registration procedures and to vote by absentee ballot in general, special, primary, and runoff elections for Federal offices. The Act covers members of the Uniformed Services and the merchant marine to include the commissioned corps of the National Oceanic and Atmospheric Administration and Public Health Service and their eligible dependents, Federal civilian employees overseas, and overseas U.S. citizens not affiliated with the Federal Government. Local Election Officials (LEO) process voter registration and absentee ballot applications, send absentee ballots to voters, and receive and process the voted ballots in counties, cities, parishes, townships and other jurisdictions within the U.S.

LEOs, independently and in relation to their respective State election officials, are often one of the most important pieces in the absentee voting process for UOCAVA citizens. The Federal Voting Assistance Program (FVAP) conducts the post-election survey of Local Election Officials to evaluate the effectiveness of the overall absentee voting program. The information collected will be qualitative and will be used for overall program evaluation, management and improvement, and to compile the congressionally-mandated report to the President and Congress.
