B. Submitting Comments

Please include Docket ID NRC-2017-0156 in your comment submission.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Discussion

In accordance with 10 CFR 110.70(b) the NRC is noticing the receipt of an export license amendment application submitted by Diversified Scientific Services, Inc., on March 29, 2017, for the export of Canadian-origin radioactive waste from the State of Tennessee to Canada. The existing license authorizes the export of up to 420 kilograms of radioactive waste. The amendment/renewal requests an extension of the license for five years, a change to the name of an ultimate consignee, and other minor revisions to the existing license. The NRC is noticing the request to amend/renew the license to export radioactive waste; opening the opportunity for public comment; and opening the opportunity to file a request for a hearing or petition for leave to intervene for 30 days after publication of this notice in the *Federal Register*. Any request for hearing or petition for leave to intervene shall be served by the requestor or petitioner upon the applicant, the Office of the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555; the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555; and the Executive Secretary, U.S. Department of State, Washington, DC 20520. Hearing requests and intervention petitions must include the information specified in 10 CFR 110.82(b).

A request for a hearing or petition for leave to intervene may be filed with the NRC electronically in accordance with NRC's E-Filing rule promulgated in August 2007 (72 FR 49139; August 28, 2007). Information about filing electronically is available on the NRC's public Web site at <http://www.nrc.gov/site-help/e-submittals.html>. To ensure timely electronic filing, at least 5 days prior to the filing deadline, the petitioner/requestor should contact the Office of the Secretary by email at hearingdocket@nrc.gov, or by calling 301-415-1677, to request a digital ID certificate and allow for the creation of an electronic docket.
