non-aeronautical use. The proposal consists of ten parcels on the east side of the airport adjacent to 59th Avenue, Northeast.

The parcels are landlocked and do not have airfield access. They are currently being used for aerospace manufacturing, office space, and parking. They will remain rental property with all lease revenues going to the airport operating budget. The FAA concurs that the parcels are no longer needed for aeronautical purposes. The proposed use of this property is compatible with other airport operations in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in Federal Register on February 16, 1999.
