**SUPPLEMENTARY INFORMATION:** The Lower Mississippi River Waterway Safety Advisory Committee is a federal advisory committee established and operating under the authority found in section 19 of the Coast Guard Authorization Act of 1991, (Public Law 102-241) as amended by section 621 of the Coast Guard Authorization Act of 2010 (Public Law 111-281). This Committee operates in accordance with the provisions of the Federal Advisory Committee Act (Title 5, U.S C., Appendix).

The Lower Mississippi River Waterway Safety Advisory Committee advises the U.S. Coast Guard on matters relating to communications, surveillance, traffic management, anchorages, development and operation of the New Orleans Vessel Traffic Service, and other related topics dealing with navigation safety on the Lower Mississippi River as required by the U.S. Coast Guard.

The Committee expects to meet at least two times annually. It may also meet for extraordinary purposes with the approval of the Designated Federal Officer. Each member serves for a term of 2 years. Members serve a maximum of two consecutive terms. All members serve at their own expense and receive no salary or other compensation from the Federal Government; however members may be reimbursed for travel and per diem.

We will consider applications for 25 positions that expire or become vacant on May 23, 2018. To be eligible, you should have experience regarding the transportation, equipment, and techniques that are used to ship cargo and to navigate vessels on the Lower Mississippi River and its connecting navigable waterways, including the Gulf of Mexico. The 25 positions available for application are as follows:
