ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R04-OAR-2017-0021; FRL-9965-24-Region 4]

Air Plan Approval; Georgia; Miscellaneous Revisions

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: The Environmental Protection Agency (EPA) is proposing to approve changes to portions of State Implementation Plan (SIP) revisions submitted by the State of Georgia, through the Georgia Department of Natural Resources' Environmental Protection Division, on November 29, 2010, and on July 25, 2014. These changes correct a numbering error, clarify rule applicability, and remove obsolete tables and references in multiple rules. EPA is proposing to approve portions of these SIP revisions because the State has demonstrated that these changes are consistent with the Clean Air Act.

SUPPLEMENTARY INFORMATION:

In the Final Rules Section of this Federal Register, EPA is approving the State's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial submittal and anticipates no adverse comments. A detailed rationale for the approval is set forth in the direct final rule. If no adverse comments are received in response to this rule, no further activity is contemplated. If EPA receives adverse comments, the direct final

rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this document. Any parties interested in commenting on this document should do so at this time.
