Abstract of proposed collection:

The Refugee Biographic Data Sheet describes a refugee applicant's personal characteristics and is needed to match the refugee with a sponsoring voluntary agency for initial reception and placement in the United States under the U. S. Refugee Admissions Program administered by the Bureau of Population, Refugees, and Migration, as authorized by the Immigration and Nationality Act and the Refugee Act of 1980.

Methodology:

Biographic information is collected in a face-to-face intake process with the applicant overseas. An employee of a Resettlement Support Center, under cooperative agreement with PRM, collects the information and enters it into the Worldwide Refugee Admissions Processing System.
