**SUPPLEMENTARY INFORMATION:**

On February 24, 2017, the President signed Executive Order (E.O.) 13777, "Enforcing the Regulatory Reform Agenda," which established a Federal policy "to alleviate unnecessary regulatory burdens" on the American people. Section 3(e) of the E.O. 13777 calls on the Task Force to "seek input and other assistance, as permitted by law, from entities significantly affected by Federal regulations, including State, local, and

tribal governments, small businesses, consumers, non-governmental organizations, trade associations” on regulations. On June 20, 2017, DoD solicited such input from the public to inform evaluation of the DFARS solicitation provisions and contract clauses by the Task Force’s DFARS Subgroup. The comment period is extended three weeks from August 21, 2017, to September 11, 2017, to provide additional time for interested parties to provide input.

Although the agency will not respond to each individual comment, DoD may follow-up with respondents to clarify comments. DoD values public feedback and will consider all input that it receives. Furthermore, DoD may share inputs received in response to this notice with the “Section 809 Panel” ([section809panel.org](http://section809panel.org); [SEC809@DAU.MIL](mailto:SEC809@DAU.MIL)) established under section 809 of the National Defense Authorization Act for Fiscal Year 2016, for the purpose of reviewing the acquisition regulations applicable to DoD with a view toward streamlining and improving the efficiency and effectiveness of the defense acquisition process and maintaining defense technology advantage.
