SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), notice is hereby given that the Secretary of Agriculture intends to renew the Fruit and Vegetable Industry Advisory Committee (FVIAC) for two years. The purpose of the FVIAC is to examine the full spectrum of issues faced by the fruit and vegetable industry and provide suggestions and ideas to the Secretary on how USDA can tailor its programs to better meet the fruit and vegetable industry's needs.

The Deputy Administrator of the Agricultural Marketing Service's Specialty Crops Program will serve as the FVIAC Executive Secretary. Representatives from USDA mission areas and agencies affecting the fruit and vegetable industry will be called upon to participate in the FVIAC's meetings as determined by the FVIAC Executive Secretary and the FVIAC.

Industry members are appointed by the Secretary of

Agriculture and serve 2-year terms, with a maximum of three 2-year terms. Membership consists of 25 members who represent the fruit and vegetable industry and will include individuals representing fruit and vegetable growers/shippers, fruit and vegetable wholesalers/distributors, brokers, retailers/restaurant representatives, fresh-cut and other fruit and vegetable processors, and foodservice suppliers. It should also include individuals representing farmers markets and food hubs, organic and non-organic fruit and vegetable representatives, and representatives from state departments of agriculture, farmer organizations, and produce trade associations. Through this Notice, the USDA seeks to fulfill two goals. Firstly, it is seeking nominations to fill ten (10) upcoming vacancies. The Secretary of Agriculture will appoint one person to each of these ten positions to serve a 2-year term of office beginning August 1, 2017, and ending July 31, 2019. Secondly, the USDA is seeking nominations to fill future unexpected vacancies in any of the position categories. These nominations will be held as a pool of candidates that the Secretary of Agriculture can draw upon as replacement appointees if unexpected vacancies occur. A person appointed to fill a vacancy will serve for the remainder of the 2-year term of the vacant position.

The Secretary of Agriculture invites those individuals, organizations, and groups affiliated with the categories listed above to nominate individuals or themselves for membership on the FVIAC. Nominations should describe and document the proposed member's fruit and vegetable industry qualifications for membership to the FVIAC. The Secretary of Agriculture seeks a diverse group of members representing a broad spectrum of persons interested in providing suggestions and ideas on how USDA can tailor its programs to meet the fruit and vegetable industry's needs.

To nominate yourself or someone else, please submit the following: a resume (required), Form AD-755 (required), which can be accessed at: <https://www.ams.usda.gov/about-ams/facas-advisory-councils/fviac/nominations>, a cover letter, and a list of endorsements or letters of recommendation (optional). Resumes must be no longer than 5 pages, and should include a summary of the following information: Current and past organization affiliations; areas of expertise; education; career positions held; any other notable positions held.

Equal opportunity practices will be followed in all appointments to the FVIAC in accordance with USDA policies. To ensure that FVIAC recommendations take into account the needs of the diverse groups served by USDA, membership shall include, to

the extent practicable, individuals with demonstrated ability to represent minorities, women, person with disabilities and limited resource agriculture producers.

The information collection requirements concerning the nomination process have been previously cleared by the Office of Management and Budget (OMB) under OMB Control No. 0505-0001.
