## B. Submitting Comments

Please include Docket ID **NRC-2016-0219** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC posts all comment submissions at <http://www.regulations.gov> as well as entering the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

## II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "NRC Form 536, "Operator Licensing Examination Data." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on March 15, 2017, (82 FR 13874).

1. *The title of the information collection: NRC Form 536, "Operator Licensing Examination Data."*

2. *OMB approval number: 3150-0131.*

3. *Type of submission: Extension.*

4. *The form number if applicable: NRC Form 536.*

5. *How often the collection is required or requested: Annually.*

6. *Who will be required or asked to respond: (a) All holders of operating licenses for nuclear power reactors under the provision of part 50 of title 10 of the Code of Federal Regulations (10 CFR), "Domestic Licensing of Production and Utilization Facilities," except those that have permanently ceased operations and have certified that fuel has been permanently removed from the reactor vessel; and*

*(b) All holders of, or applicants for, a limited work authorization, early site permit, or combined licenses issued under 10 CFR part 52, "Licenses, Certifications and Approval for Nuclear Power Plants."*

7. *The estimated number of annual responses: 100.*

8. *The estimated number of annual respondents: 100.*

9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request: 75 (0.75 hour per form x 100)*

10. *Abstract: The NRC is requesting renewal of its clearance to annually request all commercial power reactor licensees and applicants for an operating license to voluntarily send to the NRC: (1) their projected number of candidates for initial operator licensing examinations;*

*(2) the estimated dates of the examinations, and (3) if the examinations will be facility developed or NRC developed. This information is used to plan budgets and resources in regard to operator examination scheduling in order to meet the needs of the nuclear power industry.*

Dated at Rockville, Maryland, this 28<sup>th</sup> day of July, 2017.

For the Nuclear Regulatory Commission.

David Cullison,  
NRC Clearance Officer,  
Office of the Chief Information Officer.
