[Docket No. CP17-477-000]

Columbia Gas Transmission, LLC; Notice of Request Under Blanket Authorization

Take notice that on July 31, 2017, Columbia Gas Transmission, LLC (Columbia), 700 Louisiana Street, Suite 700, Houston, Texas 77002-2700, filed in Docket No. CP17-477-000 a prior notice request pursuant to sections 157.205 and 157.216 of the Commission's regulations under the Natural Gas Act (NGA), as amended, requesting authorization to abandon two injection/withdrawal (I/W) wells, along with the associated pipelines and appurtenances at its Lucas Storage Field, located in Ashland and Richland Counties, Ohio. Columbia states that the Lucas 10697 and 10722 I/W wells have historically performed poorly in relation to other wells in the Lucas Storage Field and, based on the age of the wells, the wells would require an extensive case replacement job. Columbia asserts that the proposed abandonment of the Lucas 10697 well includes the abandonment of 977 feet of 3.5-inch-diameter pipeline and appurtenances and the proposed abandonment of the Lucas 10722 well includes the abandonment of 4.5-inch-diameter pipeline and appurtenances. Columbia avers that there will be no change to the existing boundary, total inventory, reservoir pressure, reservoir and buffer boundaries, or the certificated capacity of the Lucas Storage Field as a result of the proposed abandonment, all as more fully set forth in the application which is on file with the Commission and open to public inspection. The filing may also be viewed on the web at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. The filing of the EA in the Commission's public record for this proceeding or the issuance of a Notice of Schedule for Environmental Review will serve to notify federal and state agencies of the timing for the completion of all necessary reviews, and the subsequent need to complete all federal authorizations within 90 days of the date of issuance of the Commission staff's FEIS or EA.

However, the non-party commentary, will not receive copies of all documents filed by other parties or issued by the Commission (except for the mailing of environmental documents issued by the Commission) and will not have the right to seek court review of the Commission's final order.
