Abstract: USTDA and contractors will collect information from various stakeholders on USTDA-funded activities regarding development impact and/or commercial objectives as well as evaluate success regarding GPRA objectives. This information collection enables USTDA to assess the impacts that its program investments have on U.S. commercial interests and economic development abroad. The goal of this information collection is to gather evidence and stakeholder feedback in order to continually improve program performance and deliver better results to U.S. taxpayers. As a matter of good management practice, such information is necessary to responsibly carry out the Agency's mission of monitoring current and recently completed activities.
