ACTION: Notice.

SUMMARY: The Administration for Community Living (ACL) is announcing that the proposed collection of information listed above has been submitted to the Office of Management and Budget (OMB) for review and clearance as required under section 506(c)(2)(A) of the Paperwork Reduction Act of 1995 (the PRA). SUPPLEMENTAL INFORMATION: In compliance with Section 44 U.S.C. 3507, ACL has submitted the following proposed collection of information to OMB for review and clearance. ACL is requesting approval for three years of an extension of the currently approved data collection with modifications.

The Title III Supplemental Form to the Financial Status Report (SF- 425) is used by ACL/AoA for all grantees to obtain a more detailed understanding of how projects funded under Title III of the Older Americans Act (OAA) of 1965, as amended, are being administered, and to ensure compliance with legislative requirements, pertinent Federal regulations and other applicable instructions and guidelines issued by the ACL. The level of data detail necessary is not available through the SF-425 form. The Supplemental Form provides necessary details on non-federal required match, administration expenditures, Older Relative Caregivers expenditures, and Long Term Care Ombudsman expenditures.

In addition to renewing OMB approval of this data collection, minor changes are being proposed to it to reflect changes in statutory language that occurred as a result of the 2016 reauthorization of the OAA. Specifically, the term “Grandparents Only” has been changed to “Older Relative Caregivers,” the new term in the OAA that describes this population of eligible service recipients. Similarly, the accompanying instructions for completing the Title III Supplemental Form to the Financial Status Report were also modified to include this same language.

References in the Code of Federal Regulation (CFR) have been updated addressing financial reporting requirements and non-substantive technical edits have been made to the instructions.
