SUPPLEMENTARY INFORMATION:

Title: General Administrative Regulations; Subpart V – Submission of Policies, Provisions of Policies, Rates of Premium, and Non-Reinsured Supplemental Policies.

OMB Number: 0563-0064.

Expiration Date of Approval: December 31, 2017.

Type of Request: Extension of a currently approved information collection.

Abstract: FCIC is proposing to renew the currently approved information collection, OMB Number 0563-0064. It is currently up for renewal and extension for three years. Subpart V establishes guidelines for the submission of policies or other materials to the FCIC Board of Directors (Board) and identifies the required contents of a submission: the timing, review, and confidentiality requirements; reimbursement of research and development costs, maintenance costs, and user fees; and guidelines for non-reinsured supplemental policies. This data is used to administer the Federal crop insurance program in accordance with the Federal Crop Insurance Act, as amended.

The submission's per-response time was adjusted because FCIC reviewed each line item and consulted with Risk Management Agency subject matter experts. In this review, FCIC determined the total number of product submissions were overestimated, therefore, lowering the amount of product submissions for the information collection.

FCIC is requesting the Office of Management and Budget (OMB) to extend the approval of this information collection for an additional 3 years.

The purpose of this notice is to solicit comments from the public concerning this information collection. These comments will help us:

- (1) Evaluate whether the proposed collection of information is necessary for the

proper performance of the functions of the agency, including whether the information has practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies, e.g., permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 343 hours per response.

Respondents/Affected Entities: Parties affected by the information collection requirements included in this Notice is a person (including an approved insurance provider, a college or university, a cooperative or trade association, or any other person) who prepares a submission, proposes to the Board other crop insurance policies, provisions of policies, or rates of premium, or submits to RMA a non-reinsured supplemental policy.

Estimated annual number of respondents: 195

Estimated annual number of responses per respondent: .67

Estimated annual number of responses: 131

Estimated total annual burden hours on respondents: 44,947

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Signed in Washington, DC, on August 16, 2017.
