Matters To Be Considered: The meeting will include the following topics: (1) NIDIS implementation updates and 2017 - 2018 priorities, (2) Executive Council member updates and 2017 - 2018 priorities, (3) Federal coordination around drought early warning, (4) Sub-seasonal to seasonal prediction, 5) Private sector and non-governmental partner

engagement, and 6) open discussion on advancing the goals of the NIDIS Public Law and Reauthorization.

The National Integrated Drought Information System (NIDIS) was established by Public Law 109-430 on December 20, 2006, and reauthorized by Public Law 113-86 on March 6, 2014, with a mandate to provide an effective drought early warning system for the United States; coordinate, and integrate as practicable, Federal research in support of a drought early warning system; and build upon existing forecasting and assessment programs and partnerships. See 15 U.S.C. 313d. The Public Law also calls for consultation with "relevant Federal, regional, State, tribal, and local government agencies, research institutions, and the private sector" in the development of NIDIS. 15 U.S.C. 313d(c). The NIDIS Executive Council provides the NIDIS Program Office with an opportunity to engage in individual consultation with senior resource officials from NIDIS's Federal partners, as well as leaders from state and local government, academia, nongovernmental organizations, and the private sector.
