Strategic Plan provides a framework that will support greater efficiency, effectiveness, and accountability of SBA's programs while leveraging partnerships across the government and private sector to maximize the tools small business owners and entrepreneurs need to strengthen our economy, drive American innovation, and increase global competitiveness.

The SBA proposes four strategic goals for the next five years: (1) Support small business revenue and job growth; (2) Build healthy entrepreneurial ecosystems and create business-friendly environments; (3) Restore small businesses and communities after disasters; and, (4) Strengthen the SBA's ability to serve small businesses.

The draft SBA *FY 2018-2022 Strategic Plan* is available through the SBA's website at www.sba.gov/about-sba/sba_performance/strategic_planning.
