AGENCY: Enforcement and Compliance, International Trade Administration, Department of  
Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative  
review of the antidumping duty order on large residential washers from Mexico. The period of  
review (POR) is February 1, 2016, through January 31, 2017. The review covers one  
producer/exporter of the subject merchandise, Electrolux Home Products Corp. N.V. and  
Electrolux Home Products de Mexico, S.A. de C.V. (collectively, Electrolux). We preliminarily  
determine that sales of subject merchandise by Electrolux have been made at prices below  
normal value (NV). We invite interested parties to comment on these preliminary results.

## SUPPLEMENTARY INFORMATION:

### Scope of the Order

The products covered by the order are all large residential washers and certain subassemblies thereof from Mexico. The products are currently classifiable under subheadings 8450.20.0040 and 8450.20.0080 of the Harmonized Tariff System of the United States (HTSUS). Products subject to this order may also enter under HTSUS subheadings 8450.11.0040, 8450.11.0080, 8450.90.2000, and 8450.90.6000. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to this scope is dispositive.<sup>1</sup>

### Methodology

The Department is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Pursuant to section 776(a) and (b) of the Act, the Department has preliminarily relied upon facts otherwise available with adverse inferences (AFA) for Electrolux because this respondent did not timely respond to the Department's antidumping duty questionnaire. For a complete explanation of the methodology and analysis underlying the preliminary application of AFA, *see* the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and to all parties in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision

A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

#### Preliminary Results of the Review

As a result of this review, the Department preliminarily determines that a dumping margin of 72.41 percent exists for Electrolux for the period February 1, 2016, through January 31, 2017.

#### Disclosure

Normally, the Department discloses to interested parties the calculations performed in connection with the preliminary results within five days of the date of publication of the notice of preliminary results in the *Federal Register*, in accordance with 19 CFR 351.224(b). However, there are no calculations to disclose because, in accordance with section 776 of the Act, the Department preliminarily applied AFA to Electrolux, the only company that is subject to this review, and the applied AFA rate is based solely on a dumping margin applied in a prior segment of this proceeding.

#### Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance no later than 30 days after the date of publication of the preliminary results, unless the Secretary alters the time limit. Rebuttal briefs, limited to issues raised in case briefs, may be submitted no later than five days after the deadline date for case

briefs.<sup>2</sup> Pursuant to 19 CFR 351.309(c)(2) and (d)(2), parties who submit case briefs or rebuttal briefs in this administrative review are encouraged to submit with each argument: (1) a statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce within 30 days after the date of publication of this notice. Requests should contain the party's name, address, and telephone number; the number of participants; and a list of the issues to be discussed. If a request for a hearing is made, the Department intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230, at a time and date to be determined.<sup>3</sup> Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

All submissions, with limited exceptions, must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by 5 p.m. Eastern Time (ET) on the due date. Documents excepted from the electronic submission requirements must be filed manually (*i.e.*, in paper form) with the APO/Dockets Unit in Room 18022 and stamped with the date and time of receipt by 5 p.m. ET on the due date.

The Department intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, unless the deadline is extended.<sup>4</sup>

### Assessment Rates

Upon issuance of the final results, the Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.<sup>5</sup> The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.<sup>6</sup>

We intend to issue instructions to CBP 41 days after the publication date of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Electrolux will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 36.52 percent, the all-

others rate established in the LTFV investigation.<sup>7</sup> These deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).
