**SUPPLEMENTARY INFORMATION:**

**A. Purpose**

This information collection complies with Executive Order 13126, Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor. Executive Order 13126 requires that this prohibition be enforced within the Federal acquisition system, including a provision that requires the contractor to certify to the contracting officer that the contractor or, in the case of an incorporated contractor, a responsible official of the contractor, has made a good faith effort to determine whether forced or indentured child labor was used to mine, produce, or manufacture any product furnished under the contract and that, on the basis of those efforts, the contractor is unaware of any such use of child labor.

The information collection requirements of the Executive Order are evidenced via the certification requirements delineated at FAR 52.212-3 paragraph (i), and 52.222-18.

DoD, GSA and NASA analyzed the FY 2017 data from the System for Award Management (SAM) to develop the estimated burden hours for this information collection.
