#### B. Submitting Comments.

Please include Docket ID NRC-2017-0180 in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## II. Background.

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the Office of Management and Budget's (OMB) approval for the information collection summarized below.

1. *The title of the information collection:* Voluntary Reporting of Planned New Reactor Applications
2. *OMB approval number:* 3150-0228
3. *Type of submission:* Extension
4. *The form number, if applicable:* Not Applicable
5. *How often the collection is required or requested:* Annually
6. *Who will be required or asked to respond:* Applicants, licensees, and potential applicants report this information on a strictly voluntary basis.
7. *The estimated number of annual responses:* 5
8. *The estimated number of annual respondents:* 5
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 60.
10. *Abstract:* This voluntary information collection assists the NRC in determining resource and budget needs as well as aligning the proper allocation and utilization of resources to support applicant submittals, future construction-related activities, and other anticipated part 50 and/or part 52 of title 10 of the *Code of Federal Regulations* (10 CFR) licensing and design certification rulemaking actions. In addition, information provided to the NRC staff is intended to promote early communications between the NRC and the respective addressees about potential 10 CFR part 50 and/or part 52 licensing actions and related activities, submission dates, and plans for construction and inspection activities. The overarching goal of this information collection is to assist the NRC staff more effectively and efficiently plan, schedule, and implement activities and reviews in a timely manner.

### **III. Specific Requests for Comments.**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 20<sup>th</sup> day of November 2017.

For the Nuclear Regulatory Commission.
