Rescission in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. The Department initiated this review on September 13, 2017, and the petitioners partially withdrew their request on December 12, 2017, which is within the 90-day period, and is thus timely. In accordance with 19 CFR 351.213(d)(1), because the petitioners' partial withdrawal of their request for review is timely and because no other party requested a review of these companies, we are rescinding this review, in part, with respect to the following companies: Atlantis International Services Company Ltd; Uttam Galva Steels Limited; Uttam Galva Steels (BVI) Limited; Uttam Galva Steels, Netherlands, B.V.; and Uttam Value Steels Limited. The petitioners did not withdraw the request for review of JSW Coated Products Limited or JSW Steel Ltd. As such, this review will continue with respect to JSW Coated Products Limited and JSW Steel Ltd.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess anti-dumping duties on all appropriate entries. period January 4, 2016, through June 30, 2017, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of this notice.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
