SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Rehabilitation Action Report information collection. The contractor vocational rehabilitation counselor submits form OWCP-44 during an ongoing vocational rehabilitation. The form gives prompt notification of key events that may require OWCP action in the vocational rehabilitation process. For example, when a disabled worker returns to work, benefits are adjusted quickly to avoid an overpayment. The rehabilitation counselor from information in his or her records completes all items. The Federal Employees' Compensation Act sections 8104(a) and 8111(b) and the Longshore and Harbor Workers' Compensation Act sections 908(g) and 939(c) authorizes this information collection. *See* 5 U.S.C. 8104(a), 8111(b) and 33 U.S.C. 908(g), 939(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to

respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0008.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on October 18, 2017 (82 FR 48533).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the ADDRESSES section within thirty (30) days of publication of this notice in the *Federal Register*. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240-0008.

The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- Enhance the quality, utility, and clarity of the information to be collected; and
