Extension: Rule 12d2-2 and Form 25

SEC File No. 270-86, OMB Control No. 3235-0080

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget a request for approval of extension of the previously approved collection of information provided for the following rule: Rule 12d2-2 (17 CFR 240.12d2-2) and Form 25 (17 CFR 249.25).

On February 12, 1935, the Commission adopted Rule 12d2-2,¹ and Form 25 under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) (“Act”), which sets forth the conditions and procedures under which a security may be delisted from an exchange and withdrawn from registration under Section 12(b) of the Act.² The Commission adopted amendments to Rule 12d2-2 and Form 25 in 2005.³ Under the adopted Rule 12d2-2, all issuers and national securities exchanges seeking to delist and deregister a security in accordance with the rules of an exchange must file the adopted version of Form 25 with the Commission. The Commission also adopted

amendments to Rule 19d-1 under the Act to require exchanges to file the adopted version of Form 25 as notice to the Commission under Section 19(d) of the Act. Finally, the Commission adopted amendments to exempt standardized options and security futures products from Section 12(d) of the Act. These amendments are intended to simplify the paperwork and procedure associated with a delisting and to unify general rules and procedures relating to the delisting process.

The Form 25 is useful because it informs the Commission that a security previously traded on an exchange is no longer traded. In addition, the Form 25 enables the Commission to verify that the delisting and/or deregistration has occurred in accordance with the rules of the exchange. Further, the Form 25 helps to focus the attention of delisting issuers to make sure that they abide by the proper procedural and notice requirements associated with a delisting and/or deregistration. Without Rule 12d2-2 and the Form 25, as applicable, the Commission would be unable to fulfill its statutory responsibilities.

There are 21 national securities exchanges that could possibly be respondents complying with the requirements of the Rule and Form 25.⁴ The burden of complying with Rule 12d2-2 and Form 25 is not evenly distributed among the exchanges, however, since there are many more securities listed on the New York Stock Exchange, the NASDAQ Stock Market, and NYSE American than on the other exchanges. However, for purposes of this filing, the Commission

⁴ The staff notes that a few of these 21 registered national securities exchanges only have rules to permit the listing of standardized options, which are exempt from Rule 12d2-2 under the Act. Nevertheless, the staff counted national securities exchanges that can only list options as potential respondents because these exchanges could potentially adopt new rules, subject to Commission approval under Section 19(b) of the Act, to list and trade equity and other securities that have to comply with Rule 12d2-2 under the Act. Notice registrants that are registered as national securities exchanges solely for the purposes of trading securities futures products have not been counted since, as noted above, securities futures products are exempt from complying with Rule 12d-2-2 under the Act and therefore do not have to file Form 25.

staff has assumed that the number of responses is evenly divided among the exchanges. Since approximately 800 responses under Rule 12d2-2 and Form 25 for the purpose of delisting and/or deregistration of equity securities are received annually by the Commission from the national securities exchanges, the resultant aggregate annual reporting hour burden would be, assuming on average one hour per response, 800 annual burden hours for all exchanges (21 exchanges x an average of 38.1 responses per exchange x 1 hour per response). In addition, since approximately 100 responses are received by the Commission annually from issuers wishing to remove their securities from listing and registration on exchanges, the Commission staff estimates that the aggregate annual reporting hour burden on issuers would be, assuming on average one reporting hour per response, 100 annual burden hours for all issuers (100 issuers x 1 response per issuer x 1 hour per response). Accordingly, the total annual hour burden for all respondents to comply with Rule 12d2-2 is 900 hours (800 hours for exchanges + 100 hours for issuers). The related internal cost of compliance associated with these burden hours is \$188,400 (\$157,000 for exchanges (\$196.25 per response x 800 responses) and \$31,400 for issuers (\$314 per response x 100 responses)).

The collection of information obligations imposed by Rule 12d2-2 and Form 25 are mandatory. The response will be available to the public and will not be kept confidential.
