#### **SUPPLEMENTARY INFORMATION:**

##### Background

On September 1, 2017, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on certain cold-rolled steel flat products (CR Steel) from the U.K. for the period of review (POR) March 7, 2016, through August 31, 2017.<sup>1</sup> On October 2, 2017, the petitioners, AK Steel Corporation, Steel Dynamics Inc., ArcelorMittal USA LLC, Nucor Corporation, and United States Steel Corporation, requested an

administrative review of the order with respect to Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.<sup>2</sup> On November 13, 2017, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on CR Steel from the U.K. with respect to Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.<sup>3</sup> On February 6, 2018, the petitioners timely withdrew their request for an administrative review of Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd.<sup>4</sup> No other party requested a review.

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” The petitioners withdrew their request for review within the 90-day time limit. Because we received no other requests for review of Caparo Precision Strip, Ltd., and Liberty Performance Steels Ltd., and no other requests for the review of the order on CR Steel from the U.K. with respect to other companies subject to the order, we are rescinding the administrative review of the order in full, in accordance with 19 CFR 351.213(d)(1).

#### Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of CR Steel products from the U.K. during the POR

at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the *Federal Register*.

#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
