Denver Airports District Office

26805 E. 68th Avenue, Suite 224

Denver, CO 80249-6361

(303) 342 - 1282

The request to release property may be reviewed, by appointment, in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release property at the South Valley Regional Airport under the provisions of the AIR 21 (49 U.S.C. § 47107(h)(2)).

On March 23, 2018, the FAA determined that the request to release property at the South Valley Regional Airport submitted by the Salt Lake City Department of Airports meets the procedural requirements of the Federal Aviation Administration.

The following is a brief overview of the request:

The Salt Lake City Department of Airports is proposing the release from the terms, conditions, reservations, and restrictions on approximately 4.26 acres of federally obligated land at the South Valley Regional Airport. A small portion of the New Bingham Highway will be re-routed from inside of the Runway Protection Zone (RPZ) to the outside and west of the RPZ. This portion of the New Bingham Highway, now inside the RPZ, will be vacated and turned over to airport ownership and maintenance. An additional action is to improve and

widen the existing 7800 South Right-of-way. Slivers of land will be needed to accommodate the proposed street widening improvements through this area (0.903 acres) and is included in the overall land release request.

The property release conveyance will include appropriate continuing right of flight and continuing restriction clauses that will prohibit any activity on the land that would interfere with or be a hazard to the flight of aircraft over the land or to and from the airport, or that interferes with air navigation and communications facilities serving the airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under "FOR FURTHER INFORMATION CONTACT."

In addition, any person may, upon appointment and request, inspect the application, notice and other documents germane to the application in person at the Salt Lake City Department of Airports.

Issued in Denver, CO on March 23, 2018.

John P. Bauer,

Manager,

Denver Airports District Office.
