Abstract: Submission of this information allows Assistant Secretary-Indian Affairs, Office of Federal Acknowledgment (OFA) to review applications for the Federal acknowledgment of a group as an Indian tribe. Information collect from petitioning

groups under these regulations provide anthropological, genealogical and historical data used by the AS-IA to establish whether a petitioning group has the characteristics necessary to be acknowledged as having a government-to-government relationship with the United States. Respondents are not required to retain copies of the information submitted to OFA but will probably maintain copies for their own use; therefore, there is no recordkeeping requirement included in this information collection.
