SUPPLEMENTARY INFORMATION:

Agenda

The Scallop Advisory Panel will provide research recommendations for the 2018/2019 Scallop Research Set-Aside (RSA) federal funding announcement. They also

plan to review progress on 2018 work priorities, focusing on 1) standard default measures; 2) monitoring and catch accounting. Progress on other work items may be discussed, as well as the initiation of appropriate vehicles (Specifications package, Framework, Amendment) to complete work items. The panel will also receive an update on Scallop Committee tasking re: achieved at-sea monitoring coverage levels. Other business may be discussed as necessary.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
