

## DEPARTMENT OF JUSTICE

### Drug Enforcement Administration

[Docket No. DEA-392]

#### Bulk Manufacturer of Controlled Substances Registration

**ACTION:** Notice of registration.

**SUMMARY:** Registrants listed below have applied for and been granted registration by the Drug Enforcement Administration (DEA) as bulk manufacturers of various classes of schedule I and II controlled substances.

#### SUPPLEMENTARY INFORMATION:

The companies listed below applied to be registered as bulk manufacturers of various basic classes of controlled substances. Information on previously published notices is listed in the table below. No comments or objections were submitted for these notices.

<u>Company</u>	<u>FR Docket</u>	<u>Published</u>
Patheon Pharmaceuticals, Inc.	83 FR 5274	February 6, 2018
Chattem Chemicals, Inc.	83 FR 5274	February 6, 2018
INSYS Manufacturing LLC	83 FR 5810	February 9, 2018
Siemens Healthcare Diagnostics Inc.	83 FR 5812	February 9, 2018
Cerilliant Corporation.	83 FR 5809	February 9, 2018
Noramco, Inc.	83 FR 5808	February 9, 2018
Johnson Matthey, Inc.	83 FR 7221	February 20, 2018

The DEA has considered the factors in 21 U.S.C. 823(a) and determined that the registration of these registrants to manufacture the applicable basic classes of controlled substances is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA

investigated each of the company's maintenance of effective controls against diversion by inspecting and testing each company's physical security systems, verifying each company's compliance with state and local laws, and reviewing each company's background and history.

Therefore, pursuant to 21 U.S.C. 823(a), and in accordance with 21 CFR 1301.33, the DEA has granted a registration as a bulk manufacturer to the above listed companies.

Dated: May 7, 2018.
