Semiannual Regulatory Agenda

AGENCY: Office of the Secretary, Interior.

ACTION: Semiannual regulatory agenda.

SUMMARY: This notice provides the semiannual agenda of Department of the Interior (Department) rules scheduled for review or development between spring 2018 and spring 2019. The Regulatory Flexibility Act and Executive Order 12866 require publication of the agenda.

ADDRESSES: Unless otherwise indicated, all agency contacts are located at the Department of the Interior, 1849 C Street NW, Washington, DC 20240.

FOR FURTHER INFORMATION CONTACT: Please direct all comments and inquiries about these rules to the appropriate agency contact. Please direct general comments relating to the agenda to the Office of Executive Secretariat and Regulatory Affairs, Department of the Interior, at the address above or at (202) 208-5257.

SUPPLEMENTARY INFORMATION: With this publication, the Department satisfies the requirement of

Executive Order 12866 that the Department publish an agenda of rules that we have issued or expect to issue and of currently effective rules that we have scheduled for review.

Simultaneously, the Department meets the requirement of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) to publish an agenda in April and October of each year identifying rules that will have significant economic effects on a substantial number of small entities. We have specifically identified in the agenda rules that will have such effects. The complete Unified Agenda will be published at www.reginfo.gov, in a format that offers users enhanced ability to obtain information from the agenda database. Agenda information is also available at www.regulations.gov, the government-wide website for submission of comments on proposed regulations.

In some cases, the Department has withdrawn rules that were placed on previous agendas for which there has been no publication activity or for which a proposed or interim rule was published. There is no legal significance to the omission of an item from this agenda. Withdrawal of a rule does not necessarily mean that the Department will not proceed with the rulemaking. Withdrawal allows the Department to assess the action further and determine whether rulemaking is appropriate. Following such an assessment, the Department may determine that certain rules listed as withdrawn under this agenda are appropriate for promulgation. If that determination is made, such rules will comply with Executive Order 13771.

139. REVISIONS TO PRODUCTION SAFETY SYSTEM REGULATIONS

EO 13771 Designation: Deregulatory

Legal Authority: 43 U.S.C. 1331 to 1356a

Abstract: This rulemaking would revise the Bureau of Safety and Environmental Enforcement (BSEE) regulations published in the 2016 Final Rule entitled "Oil and Gas and Sulfur Operations on the Outer Continental Shelf--Oil and Gas Production Safety Systems," 81 FR 61833 (September 7, 2016), and address issues raised by stakeholders regarding that final rule. In accordance with section 4 of Secretary's Order 3350 (America-First Offshore Energy Strategy), Executive Order (E.O.) 13783 (Promoting Energy Independence and Economic Growth), and section 7 of E.O. 13795 (Implementing an America-First Offshore Energy Strategy), BSEE reviewed the 2016 Final Rule to determine whether it potentially burdens the development or use of domestically produced energy resources, and proposed revisions to that Final Rule to reduce unnecessary burdens without adversely impacting safety or the environment.

141. MIGRATORY BIRD HUNTING; 2018-2019 MIGRATORY GAME BIRD HUNTING REGULATIONS

EO 13771 Designation: Fully or Partially Exempt

Legal Authority: 16 U.S.C. 703 to 711; 16 U.S.C. 742a-j

Abstract: We propose to establish annual hunting regulations for certain migratory game birds for the 2018-2019 hunting season. We annually prescribe outside limits (frameworks), within which States may select hunting seasons. This proposed rule provides the regulatory schedule, describes the proposed regulatory alternatives for the 2018-2019 duck hunting seasons, requests proposals from Indian Tribes that

wish to establish special migratory game bird hunting regulations on Federal Indian reservations and ceded lands, and requests proposals for the 2018 spring and summer migratory bird subsistence season in Alaska. Migratory game bird hunting seasons provide opportunities for recreation and sustenance; aid Federal, State, and Tribal governments in the management of migratory game birds; and permit harvests at levels compatible with migratory game bird population status and habitat conditions.

EO 13771 Designation: Other

Legal Authority: 43 U.S.C. 1337(p), as amended

Abstract: As directed by E.O 13795, BOEM has reconsidered its financial assurance policies reflected in Notice to Lessees No. 2016-N01 (September 12, 2016). This rule will modify the policies established in the
