SUPPLEMENTARY INFORMATION: In the *Federal Register* of March 26, 2018, FDA published an ANPRM with a 90-day comment period to obtain information related to the regulation of premium cigars under the Federal Food, Drug, and Cosmetic Act, as amended by the Family Smoking Prevention and Tobacco Control Act, and regulations regarding the sale and distribution of tobacco products. FDA is seeking comments, data, research results, or other information that may inform regulatory actions FDA might take with respect to premium cigars. Specifically, FDA is seeking information related to the following topics: definition of premium cigars, use patterns of premium cigars, and public health considerations associated with premium cigars.

The Agency has received requests for a 90-day extension of the comment period for the ANPRM. FDA has considered the requests and is extending the comment period for the ANPRM for 30 days, until July 25, 2018. The Agency believes that a 30-day extension allows adequate time for interested persons to submit comments without significantly delaying any potential regulatory action on these important issues.

Dated: June 5, 2018.

Associate Commissioner for Policy.
