SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501-3520), federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit reports, keep records, or provide

information to a third party. Section 3506(c)(2)(A) of the PRA (44 U.S.C. 3506(c)(2)(A)) requires federal agencies to publish a 30-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice that summarizes the following proposed collection(s) of information for public comment:

1. Type of Information Collection Request: Extension of a currently approved collection; Title of Information Collection: Application to be Qualified Entity to Receive Medicare Data for Performance Measurement; Use: The Patient Protection and Affordable Care Act (ACA) was enacted on March 23, 2010 (Pub. L. 111-148). ACA amends section 1874 of the Social Security Act by adding a new subsection (e) to make standardized extracts of Medicare claims data under Parts A, B, and D available to qualified entities to evaluate the performance of providers of services and suppliers. This is the application needed to determine an organization's eligibility as a qualified entity. To implement the requirements outlined in the legislation, CMS established the Qualified Entity Certification Program (QECP) to evaluate an organization's eligibility across three areas: organizational and governance capabilities, addition of claims data from other sources (as required in the statute), and data privacy and security. This collection covers the application through which organizations provide information to CMS to determine whether they will be approved as a qualified entity. Form Number: CMS-10394 (OMB control number: 0938-1144); Frequency: Reporting-Yearly; Affected Public: Private Sector (State, Local, or Tribal Governments, Business or other for-profits, Not-for-Profit Institutions); Number of Respondents:

30; Total Annual Responses: 10; Total Annual Hours: 5,000. (For policy questions regarding this collection contact Kari Gaare at 410-786-8612.)
