SUPPLEMENTARY INFORMATION: CBP invites the general public and other Federal agencies to comment on the proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.). This proposed information collection was previously published in the *Federal Register* (83 FR 14876) on April 6, 2018, allowing for a 60-day comment period. This notice allows for an additional 30 days for public comments. This process is conducted in accordance with 5 CFR 1320.8. Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of

appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of this Information Collection:

Title: Trusted Traveler Programs and U.S. APEC Business Travel Card

OMB Number: 1651-0121

Form Numbers: 823S (SENTRI) and 823F (FAST)

Abstract: This collection of information is for CBP's Trusted Traveler Programs, including the Secure Electronic Network for Travelers Rapid Inspection (SENTRI), which allows expedited entry at specified land border ports of entry along the U.S.-Mexico border; the Free and Secure Trade (FAST) Program, which provides expedited border processing for known, low-risk commercial drivers; and Global Entry, which allows pre-approved, low-risk air travelers expedited clearance upon arrival into the United States.

The purpose of all of these programs is to provide prescreened travelers expedited entry into the United States. The benefit to the traveler is less time spent in line waiting to be processed. These Trusted Traveler Programs are provided for in 8 CFR 235.7, 235.12, and 8 CFR 103.7(b)(1)(ii)(G)and(M).

This information collection also includes the U.S. Asia-Pacific Economic Cooperation (APEC) Business Travel Card (ABTC) Program, which is a voluntary program that allows qualified U.S. business travelers engaged in business in the APEC region, or U.S. Government officials actively engaged in APEC business, the ability to access fast-track immigration lanes at participating airports in the 20 other APEC member

countries. This program is authorized by the Asia-Pacific Economic Cooperation Business Travel Cards Act of 2011, Public Law 112-54, and provided for by 8 CFR 235.13 and 8 CFR 103.7(b)(1)(ii)(N). Pursuant to these laws and regulations, CBP can issues ABTCs through September 30, 2018. On November 2, 2017, the President signed into law the Asia-Pacific Economic Corporation Business Travel Cards Act of 2017, Public Law 115-79, which makes the ABTC Program permanent. CBP is in the process of updating 8 CFR 235.13 to conform to the new law.

The data is collected on the applications and kiosks for the Trusted Traveler Programs. Applicants may apply to participate in these programs by using the Trusted Traveler Program Systems (TTP Systems) at <https://ttp.cbp.dhs.gov/>. Applicants may also apply for SENTRI and FAST using paper forms (CBP Form 823S for SENTRI and CBP Form 823F for FAST) available at <http://www.cbp.gov> or at Trusted Traveler Enrollment Centers.

After arriving at the Federal Inspection Services area of the airport, participants in Global Entry can undergo a self-service inspection process using a Global Entry kiosk. During the self-service inspection, participants have their photograph and fingerprints taken, submit identifying information, and answer several questions about items they are bringing into the United States. When using the Global Entry kiosks, participants are required to declare all articles being brought into the United States pursuant to 19 CFR 148.11.
