**Public Land Order No. 7871; Partial Withdrawal Revocation, Power Site**

**Classification No. 361 and Modification of Public Land Order No. 7448; Colorado.**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Public Land Order.

**SUMMARY:** This Order partially revokes a withdrawal created by Secretarial Order dated October 24, 1944, which established Power Site Classification (PSC) No. 361 insofar as it affects 41.42 acres, and modifies Public Land Order No. 7448 by releasing from the effect of the provisions of Section 24 of the Federal Power Act, approximately 81.88 (formerly 80) acres of National Forest System (NFS) lands. This Order opens the lands to such uses as may be made of NFS lands subject to valid existing rights, the provisions of existing withdrawals, other segregations of record, and the requirements of applicable law.

**DATES:** This Public Land Order (PLO) is effective on [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

**SUPPLEMENTAL INFORMATION:** The United States Forest Service (USFS) requested a partial revocation for PSC No. 361 created by a Secretarial Order dated October 24, 1944, which classified NFS lands for potential waterpower site development. The USFS also requests PLO No. 7448 be modified by removing the Federal Power Act Section 24 reservation provision noted in paragraph 1 of the Order. The Bureau of Land Management, in consultation with the Federal Energy Regulatory Commission, determined that the interests of the United States will not be injured by conveyance of the land out of Federal ownership. This Order opens some lands within PSC No. 361 to such uses as may be made of NFS lands.
