## B. Submitting Comments

The NRC cautions you not to include identifying or contact information in

comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <http://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## **II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, NRC Form 7, “NRC Form 7, Application for NRC Export/Import License, Amendment, Renewal or Consent Request(s).” The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on April 26, 2018, pp. 18356-18357. No comments were received.

3. *Type of submission:* Extension
4. *The form number if applicable:* NRC Form 7

5. *How often the collection is required or requested:* On occasion
6. *Who will be required or asked to respond:* Any person in the U.S. who wishes to export or import (a) nuclear material and equipment subject to the requirements of a specific license; (b) amend a license; (c) renew a license; (d) obtain consent to export Category 1 quantities of materials listed in Appendix P to 10 CFR Part 110; or (5) request an exemption from a licensing requirement under Part 110.
7. *The estimated number of annual responses:* 85
8. *The estimated number of annual respondents:* 85
9. *An estimate of the total number of hours needed annually to comply with the information collection requirement or request:* 204
10. *Abstract:* Persons in the U.S. wishing to export or import nuclear material or equipment, who are required to obtain a specific license, amendment, license renewal, obtain consent to export Category 1 quantities of byproduct material listed in Appendix P to 10 CFR Part 110 or request an exemption from a licensing requirement under Part 110. The NRC Form 7 application will be reviewed by the NRC and by the Executive Branch, and if applicable statutory, regulatory, and policy considerations are satisfied, the NRC will issue an export, import, amendment or renewal license.

Dated at Rockville, Maryland, on September 7, 2018.

For the Nuclear Regulatory Commission.
