B. Submitting Comments

Please include Docket ID: **NRC-2018-0118** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 396, "Certification of Medical Examination by Facility Licensee

2. *OMB approval number:* 3150-0024

3. *Type of submission:* Extension

4. *The form number, if applicable:* NRC Form 396

5. *How often the collection is required or requested:* Upon application for an initial or upgrade license; every six years for the renewal of an operator or senior operator license, and notices of disability that occur during licensed tenure.

6. *Who will be required or asked to respond:* Facility licensees who are tasked with certifying the medical fitness or operator licensee.

7. *The estimated number of annual responses:* 1882

8. *The estimated number of annual respondents:* 125

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 2196.25 hours (1757 Reporting hours plus 439.25 Recordkeeping hours).

10. *Abstract:* NRC Form 396 is used to transmit information to the NRC regarding the medical condition of applicants for initial operator licenses or renewal of operator licenses and for the maintenance of medical records for all licensed operators. The information is used to determine whether the physical condition and general health of applicants for operator licensees is such that the applicant would not be expected to cause operational errors and endanger public health and safety.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, on October 4, 2018.

For the Nuclear Regulatory Commission.

David Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
