**Participating Agencies:** The U.S. Department of Education and the U.S. Department of Veterans Affairs.

**Authority for Conducting the Matching Program:** The Department's legal authority to enter into this matching

program is provided in sections 420N(c), 437(a), and 455(a)(1) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1070g-2(c), 1087(a), and 1087e(a)(1)), and the regulations promulgated pursuant to those HEA sections (34 CFR §§ 682.402(c), 685.213, and 686.42(b)), and subsection (a)(8) of the Privacy Act (5 U.S.C. 552a(a)(8)).

VA's legal authority to enter into this matching program and to disclose information as part of this matching program is described in subsection (a)(8) of the Privacy Act, 5 U.S.C. 552a(a)(8) and is in accordance with 5 U.S.C.552a(b)(3).

Purpose(s): The matching program will assist the Department in its obligation to ensure that borrowers of loans under title IV of the HEA and individuals with Teacher Education Assistance for College and Higher Education (TEACH) Grant service obligations more efficiently and effectively apply for Total and Permanent Disability (TPD) discharge of their loans under title IV of the HEA and TEACH Grant service obligations. The Department will proactively send notices to inform individuals that they may be eligible for a TPD discharge, provided that the VA has designated them as having a service-connected disability rating that is 100 percent disabling, or being totally disabled based on an individual

unemployability rating, as described in 38 CFR § 3.4(b) and 38 CFR § 3.340. Additionally, these individuals are eligible for a TPD discharge only where: (1) they owe a balance on any loans disbursed under the authority of title IV of the HEA, (2) they have had any loans under title IV of the HEA written off due to default, or (3) they are responsible for completing a service obligation in exchange for having received a TEACH Grant under the TEACH Grant Program. The Department's notices also will inform these individuals that the Department will accept VA data matched information in lieu of their submission of a VA Statement with their TPD loan discharge application, thereby making it easier for them to submit a TPD loan discharge application to the Department.

Categories of Individuals: The VA will disclose to the Department information in VA's records about Veterans who are in receipt of VA disability compensation benefits with a VA determination that they have a 100 percent disabling service-connected disability rating or that they are totally disabled based on an individual unemployability rating.

The Department will match this information on Veterans with its records on borrowers of loans under title IV of the HEA who owe balances on any loans or have had any loans

written off due to default as well as on individuals who are responsible for completing a service obligation in exchange for having received a TEACH Grant under the TEACH Grant Program.

Categories of Records: The records to be used in the matching program are described as follows: VA will disclose to the Department, on a quarterly basis, the name (first, middle and last), date of birth (DOB), and Social Security number (SSN) of all Veterans who are in receipt of VA disability compensation benefits with a VA determination that they have a 100 percent disabling service-connected disability rating or that they are totally disabled based on an individual unemployability rating, along with the VA disability determination date for each Veteran.

The Department will match the data elements of name, DOB, and SSN received from VA with the Department's records on borrowers of loans under title IV of the HEA who owe balances on any loans or have had any loans written off due to default, as well as individuals who are responsible for completing a service obligation in exchange for having received a TEACH Grant under the TEACH Grant Program.

System(s) of Records: VA will use the system of records identified as "BIRLS--VA" (38VA21), first published at 49 FR 38095 (August 26, 1975), routine use 21, as added by 66

FR 30049 (June 4, 2001), which is the published system notice that added routine use 21 to this system of records notice. VA has determined that this system of records contains appropriate routine use disclosure authority and that the use is compatible with the purpose for which the information is collected.

The Department will match information on these Veterans with records in its system of records entitled "National Student Loan Data System (NSLDS)" (18-11-06), as last published in the *Federal Register* in full on June 28, 2013 (78 FR 38963) and last updated on April 2, 2014 (79 FR 18534).
