B. Submitting Comments

Please include Docket ID **NRC-2018-0228** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment

submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Operators' Licenses.
2. *OMB approval number:* 3150-0018.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* As necessary for the NRC to meet its responsibilities to determine the eligibility for applicants and operators.
6. *Who will be required or asked to respond:* Holders of, and applicants for, facility (*i.e.*, nuclear power and non-power research and test reactor) operating licenses and individual operator licensees.
7. *The estimated number of annual responses:* 449 (353 reporting responses + 96 recordkeepers).
8. *The estimated number of annual respondents:* 96.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 172,915 hours (150,869 hours reporting + 22,046 hours recordkeeping).

10. *Abstract:* Part 55 of title 10 of the *Code of Federal Regulations* (10 CFR), “Operators’ Licenses,” specifies information and data to be provided by applicants and facility licensees so that the NRC may make determinations concerning the licensing and requalification of operators for nuclear reactors, as necessary to promote public health and safety. The reporting and recordkeeping requirements contained in 10 CFR part 55 are mandatory for the affected facility licensees and applicants.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated at Rockville, Maryland, this 23rd day of November, 2018.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
