**A. Overview of Information Collection**

Title of Information Collection: Builder's Certification of Plans, Specifications, and Site.

OMB Approved Number: 2502-0496.

Type of Request: Revision.

Form Number: HUD-92541.

Description of the need for the information and proposed use: Builders use the form to certify that a property does not have adverse conditions and is not located in a special flood hazard area. The certification is necessary so that HUD does not insure a mortgage on property that poses a risk to the health and safety of the occupant.

Respondents (i.e. affected public): Business or other for-profit.

Estimated Number of Respondents: 37,579.

Estimated Number of Responses: 90,000.

Frequency of Response: 0.083333.

Average Hours per Response: 2.39495.

Total Estimated Annual Burden and Cost: 7,500 hours.

**B. Solicitation of Public Comment**

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond: including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

**C. Authority:** Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.
