We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper functions of the Department.
- Evaluate the accuracy of our estimate of the time and cost burden for this proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

### **Abstract of Proposed Collection**

Pursuant to ITAR §120.4, a person, as defined by ITAR § 120.14, may request a written determination from the Department of State stating whether a particular article or defense service is covered by the United States Munitions List (USML). Form DS-4076 is the means by which respondents may submit this request. Information submitted via DS-4076 will be shared with the Department of Defense, Department of Commerce, and other USG agencies, as needed, during the commodity jurisdiction process.

Determinations will be made on a case-by-case basis based on the commodity's form, fit, function, and performance capability.

### **Methodology**

Respondents must submit the DS-4076 electronically through DDTC's electronic system. Respondents may access the DS-4076 on DDTC's website, [www.pmdtc.state.gov](http://www.pmdtc.state.gov), under Commodity Jurisdictions (CJs).
