Extension: Interactive Data

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

The "Interactive Data" collection of information requires issuers filing registration statements under the Securities Act of 1933 (15 U.S.C. 77a et seq.) and reports under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.) to submit specified financial information to the Commission and post it on their corporate Web sites, if any, in interactive data format using eXtensible Business Reporting Language (XBRL). This collection of information is located primarily in registration statement and report exhibit provisions, which require interactive data, and Rule 405 of Regulation S-T (17 CFR 232.405), which specifies how to submit and post interactive data. The exhibit provisions are in Item 601(b)(101) of Regulation S-K (17 CFR 229.601(b)(101)), Form F-10 under the Securities Act (17 CFR 239.40) and Forms 20-F, 40-F and 6-K under the Exchange Act (17 CFR 249.220f, 17 CFR 249.240f and 17 CFR 249.306).

In interactive data format, financial statement information could be downloaded directly into spreadsheets and analyzed in a variety of ways using commercial off-the-shelf software. The specified financial information already is and will continue to be required to be submitted to

the Commission in traditional format under existing requirements. The purpose of the interactive data requirement is to make financial information easier for investors to analyze and assist issuers in automating regulatory filings and business information processing. We estimate that 8601 respondents per year will each submit an average of 4.5 responses per year for an estimated total of 38,705 responses. We further estimate an internal burden of 56 hours per response for a total annual internal burden of 2,167,480 hours (56 hours per response x 38,705 responses).

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following Web site, www.reginfo.gov. Comments should be directed to: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, D.C. 20503, or by sending an e-mail to: Lindsay.M.Abate@omb.eop.gov; and (ii) Charles Riddle, Acting Director/Chief Information Officer, Securities and Exchange Commission, c/o Candace Kenner, 100 F Street NE., Washington, DC 20549 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted to OMB within 30 days of this notice.

Dated: February 19, 2019.

Eduardo A. Aleman,
Deputy Secretary.
