The FAA may approve the request, in whole or in part, no later than [insert date 30 days after date of publication in the Federal Register].

The following is a brief overview of the request:

The City of Cody, WY, and the Yellowstone Regional Airport are proposing the release from the terms, conditions, reservations, and restrictions on a 2.47 acre parcel of property acquired by the City of Cody on July 2, 1958, from the Bureau of Land Management. The parcel proposed for

release is adjacent to a parcel that was previously released and will accommodate a new animal shelter or expansion of the existing shelter. The parcel is located on the southeast corner of the airport and is far removed from any present or foreseeable aviation development. It is no longer needed for aviation purposes. The property will be sold at fair market value and the funds received will be reinvested in the operation and maintenance of the airport.

Any person may inspect, by appointment, the request in person at the FAA office listed above under "FOR FURTHER INFORMATION CONTACT."

In addition, any person may, upon appointment and request, inspect the application, notice and other documents germane to the application in person at the Yellowstone Regional Airport.
