### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For purposes of this review Commerce preliminarily finds that all programs previously countervailed in prior segments of this proceeding, remain countervailable – that is, they provide a financial contribution within the meaning of sections 771(5)(B)(i) and (D) of the Act, confer a benefit within the meaning of section 771(5)(B) of the Act, and are specific within the meaning of 771(5A) of the Act.

---

<sup>5</sup> See Preliminary Decision Memorandum for a complete description of the scope of the order.

For a full description of the methodology underlying our preliminary conclusions, including our reliance on adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum. As explained in the Preliminary Decision Memorandum, Commerce relied on adverse facts available because the five companies that remain under review (*i.e.*, Anshan, Foshan, Jangho H.K., Sihui Shi, and Sincere Profit) did not act to the best of their ability in responding to Commerce’s requests for information, and consequently, we have drawn an adverse inference, where appropriate, in selecting from among the facts otherwise available.<sup>6</sup> For further information, *see* “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

#### Intent to Rescind Review, In Part

For those companies named in the *Initiation Notice* for which all review requests have been timely withdrawn,<sup>7</sup> we intend to rescind this administrative review in accordance with 19 CFR 351.213(d)(1). These companies are listed at Appendix II to this notice. For these companies, Commerce intends to assess duties at rates equal to the rates of the cash deposits for estimated countervailing duties required at the time of entry, or withdrawn from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(2).

#### Preliminary Results

Commerce preliminarily determines that the following estimated countervailable subsidy rates exist:<sup>8</sup>

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends upon publication of the final results to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above for each company listed on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we intend to instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Disclosure

Normally, Commerce discloses to interested parties the calculations performed in connection with the preliminary results of review within five days of its public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). However, we have assigned a net subsidy rate based on total adverse facts available to the five companies for which requests for review were not withdrawn (each failed to submit a response to Commerce's quantity and value (Q&V) questionnaire), in accordance with section 776 of the Act. For information detailing the derivation of the adverse facts available (AFA) rate applied, *see* AFA Calculation Memorandum.<sup>9</sup>
