**II. Background Information and Regulatory History**

On December 7, 2018, ABC Events, Inc. of Arnold, MD, notified the Coast Guard through submission of a marine event application that from 8 a.m. to noon on June 1, 2019, it will be conducting the Bay Bridge Paddle in the Chesapeake Bay, under and between the north and south bridges that consist of the William P. Lane, Jr. (US-50/301) Memorial Bridges, located between Sandy Point, Anne Arundel County, MD, and Kent Island, Queen Anne's County, MD. In the case of inclement weather, the kayak and stand up paddle board racing event is scheduled from 8 a.m. to noon on June 2, 2019. In response, on February 15, 2019, the Coast Guard published a notice of proposed rulemaking (NPRM) titled "Special Local Regulation; Chesapeake Bay, Between Sandy Point and Kent Island, MD" (84 FR 4390). There we stated why we issued the NPRM

and invited comments on our proposed regulatory action related to this paddle race. During the comment period that ended March 18, 2019, we received no comments.

### **III. Legal Authority and Need for Rule**

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Captain of the Port Maryland-National Capital Region (COTP) has determined that potential hazards associated with the paddle race will be a safety concern for anyone intending to operate in or near the race area. The purpose of this rule is to protect event participants, spectators, and transiting vessels on specified waters of the Chesapeake Bay before, during, and after the scheduled event.

### **IV. Discussion of Comments, Changes, and the Rule**

As noted above, we received no comments on our NPRM published February 15, 2019. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule establishes a special local regulation to be enforced from 7 a.m. to 1 p.m. on June 1, 2019, and, if necessary due to inclement weather, from 7 a.m. to 1 p.m. on June 2, 2019. The regulated area will cover all navigable waters of the Chesapeake Bay, adjacent to the shoreline at Sandy Point State Park and between and adjacent to the spans of the William P. Lane Jr. Memorial Bridges, from shoreline to shoreline, bounded to the north by a line drawn from the western shoreline at latitude 39°01'05.23" N, longitude 076°23'47.93" W; thence eastward to latitude 39°01'02.08" N, longitude 076°22'40.24" W; thence southeastward to eastern shoreline at latitude 38°59'13.70" N, longitude 076°19'58.40" W; and bounded to the south by a line drawn parallel and 500 yards south of the south bridge span that originates from the western shoreline at latitude

39°00'17.08" N, longitude 076°24'28.36" W; thence southward to latitude 38°59'38.36" N, longitude 076°23'59.67" W; thence eastward to latitude 38°59'26.93" N, longitude 076°23'25.53" W; thence eastward to the eastern shoreline at latitude 38°58'40.32" N, longitude 076°20'10.45" W, located between Sandy Point and Kent Island, MD. The duration of the special local regulations and size of the regulated area are intended to ensure the safety of life on these navigable waters before, during, and after paddle races, scheduled from 8 a.m. until noon on June 1, 2019 (rain date of June 2, 2019). Except for participants and vessels already at berth, a vessel or person will be required to get permission from the COTP or PATCOM before entering the regulated area. Vessel operators can request permission to enter and transit through the regulated area by contacting the PATCOM on VHF-FM channel 16. Vessel traffic will be able to safely transit the regulated area once the PATCOM deems it safe to do so. A person or vessel not registered with the event sponsor as a participant or assigned as Official Patrols would be considered a spectator. Official Patrols are any vessel assigned or approved by the Commander, Coast Guard Sector Maryland-National Capital Region with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign. If permission is granted by the COTP or PATCOM, a person or vessel will be allowed to enter the regulated area or pass directly through the regulated area as instructed. Vessels will be required to operate at a safe speed that minimizes wake while within the regulated area. Official Patrol vessels will direct spectator vessels while within the regulated area. Vessels will be prohibited from loitering within the navigable channel.

## **V. Regulatory Analyses**

We developed this rule after considering numerous statutes and Executive orders

related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, duration and location of the regulated area, which will impact a small designated area of the Chesapeake Bay for 6 hours. The Coast Guard will issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the status of the regulated area. Moreover, the rule will allow vessels to seek permission to enter the regulated area, and vessel traffic will be able to safely transit the regulated area once the COTP or PATCOM deems it safe to do so.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this

rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the regulated area may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism,

if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

*E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

*F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f),

and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves implementation of regulations within 33 CFR part 100 applicable to organized marine events on the navigable waters of the United States. The temporary regulated area will be enforced for approximately six hours during the paddle race. It is categorically excluded from further review under paragraph L61 of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Memorandum For Record for Categorically Excluded Actions supporting this determination is available in the docket where indicated under ADDRESSES.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.
